PLASTIC LAMINATE COLOUR CHART

The ideal choice when aesthetics and affordability are key. Our high-pressure plastic laminate finish is expertly bonded to a solid, impact-resistant particleboard core, ensuring both durability and style. With its smooth, resilient surface, this partition is easy to clean and highly resistant to dirt, stains, and corrosion.

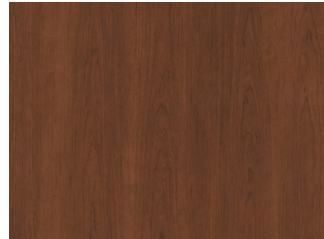

Available in a vast array of colors and patterns, plastic laminate offers limitless design flexibility, making it perfect for any new or existing washroom project.
